

Instruction Manual for Major Meltdown

Read through this entire instruction manual BEFORE using **Major Meltdown**. We're dedicated to bringing you well-designed products that make living fun and easy. We stand behind all our products and warrant this to be free from defects in workmanship and materials for 1 year from the date of purchase.

For service claims or questions please consult our website ProtocolNY.com.

Installing the Batteries

1. Remove the top cap and insert 2 'AAA' batteries (not included) according to indicated polarities.
2. Replace the cap.

Fig. 1

Operation

To turn the flashlight on, switch the button on the side to 'ON'.
To turn the heating tool on, slide the tool out and wait a few seconds for it to heat up.
Insert the tool into the keyhole of your car to defrost the lock.

WARNING!

The heating tool is very hot when in use. DO NOT TOUCH.
